

# Arfaoui Mehdi

PhD Quantum Research,  
Summer Intern

- 24 January 1996
- Tunisia
- +216 53350497
- mehdi.arfaoui@fst.utm.tn
- arfaouimehdi20@yahoo.fr

## Social Network

- LinkedIn Profile Link
- Github Project Page Link

## Languages

- Arabic
- English
- French

## Hard Skills

- Communication
- Computer skills
- Problem-solving

## Soft Skills

- Project Management
- Data analysis
- Programming
- Python
- MATLAB

## About Me

I can share my knowledge to provided best outcome, and i'm skilled at communicating with coworkers. I would love to advance my understanding of the period further, through PhD study with an expert at a remarkable institution.

## Education

### Postgraduate Training

Currently	<b>Doctor of Philosophy - PhD in Physics</b> field: Quantum information	University of Tunis El Manar
2017 – 2019	Master's degree in condensed matter physics	University of Tunis El Manar

### Study

2017	Basic Degree in Physics	University of Tunis El Manar
2014	Baccalaureate section Mathematics	Farabi-Manouba High School

## Coding Experience

- I have self-taught experience coding in VB,Python, web scripting in PHP & JavaScript, databases TCP/IP networking; using various OS (Windows, Linux)
- I have also used Matlab, Mathematica, Maple, NumPy, SciPy, Blender etc for performing mathematical, physical, statistical & economical computations (on various analyses & datasets)
- Most recently, I am attempting to use Qiskit data captured by the open-source python library that can be used in quantum information problems

## Hobbies and Interests

- practicing my classical guitar and writing my own song
- Playing Chess
- Computing and Designing websites
